

OVERLOAD WARE LABS AI

To:

Vaibhav Adhikari

Date:

01 January, 2026

Dear **Vaibhav Adhikari**,

We are pleased to offer you the position of **Python Developer Intern** at Owl AI (Overload Ware Labs AI) from **01/01/2026 to 31/01/2026**. This virtual internship is fully remote and offers flexible working hours, providing you with hands-on experience in your specific role. We were impressed by your profile and believe your skills will contribute meaningfully to our ongoing work.

During the internship, you will be assigned tasks to complete independently within given deadlines. Please note that this is an unpaid position. Detailed instructions will be shared via email upon your acceptance. Please confirm your acceptance of this offer by replying within 48 hours. We look forward to your contribution and wish you a productive and rewarding internship with us.

Sincerely,

V. V Pabboji

Founder, Owl AI (Overload Ware Labs AI)
